

The San Mateo Sheriff's Communications Unit is offering:

## **ACES Emergency Communications Course**

This four part course is designed to give an Amateur Radio volunteer the tools to become a valuable resource to a served agency. The course covers radio operation, communications procedures, working for an agency and the Incident Command System as a few of the main topics.

Dates:

Monday, August 26 | Wednesday, August 28

Monday, September 9 | Wednesday, September 11

Times:

6pm - 10pm

Location:

San Mateo Medical Center Offices  
225 37th Ave - Room 100  
San Mateo CA 94403

Fee: \$25.00 to cover text book & materials

Necessary:

A hand-held radio with charged battery & instructions.

FEMA online courses: IS 100, 200 AND 700 (<http://training.fema.gov/IS/crslist.aspx?all=true>)

Completion of these courses prior to the class is recommended, but not required. You will need to provide these certificates prior to receiving an ACES completion certificate.

More Information - reservations: <http://www.oregonaces.org/content/basic-certification>

The Sheriff's Communications Unit is proud to offer a four-day, Amateur Radio emergency communications course that is very successful in Oregon, where it originated. This is the first time this course has been offered in the Bay Area and we'd like you to be there. Space is limited!

**THANKS TO OUR SUPPORTERS:** Your registration fee pays only a third the cost of conducting this training. Thank you to San Mateo County and Oregon ACES for their major support of this program.
